Scheduled EPA Facility power maintenance necessitates bringing down ARB Headquarters IT infrastructure from 5pm, April 26th thru 5 pm, April 27th. The EPA building will have no power or running water, and will be completely empty except for building maintenance crews.

For this reason, numerous (most) ARB business applications will not be available to the public. An overview of availability is below. For a detailed list of system availability, see [attached document](#).

What <u>WILL</u> be available:
CalEGGRT
ARBER (if we've migrated by then)
ARB Outside and those apps hosted on it.
RMP-R3
Carl Moyer
Outlook Web Access
Mobile device e-mail access.

What <u>WILL NOT</u> be available
No SAN access (H, S, X, and W Drives) for HQ
No Portal1 access for any ARB.
No Aftermarket Database
No ARB Inside
All ARB Business applications not listed above.
MLD - No share drives, internet, or e-mail
El Monte - No internet connectivity or e-mail access
